Re: Hearing Application
70 Zone, Reservoirs B and C
FOUR ISLE DOME FIELD
Terrebonne Parish, Louisiana
Applicant: The Louisiana Land & Exploration Company

Dear Mr. Commissioner:

In accordance with the Rules of Procedure for Conducting Hearings Before the Commissioner of Conservation of the State of Louisiana, application is hereby made on behalf of **The Louisiana Land & Exploration Company** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the 70 Zone, Reservoirs B and C in the Four Isle Dome Field, Terrebonne Parish, Louisiana:

70 Zone, Reservoir B

1. To dissolve the existing drilling and production unit created as the 70 Zone, Reservoir B, established by Office of Conservation Order No. 495-KK-1, effective December 16, 2003, and to simultaneously create a revised single drilling and production unit of approximately 38 acres for the 70 Zone, Reservoir B, Four Isle Dome Field, Terrebonne Parish, Louisiana, designated as the 70 RB SUA, all as shown more particularly on the attached plat;
2. The 70 Zone, Reservoir B in the Four Isle Dome Field was previously defined in Office of Conservation Order No. 495-KK-1, effective December 16, 2003.

70 Zone, Reservoir C

1. To create a single drilling and production unit of approximately 128 acres for the 70 Zone, Reservoir C, Four Isle Dome Field, Terrebonne Parish, Louisiana, designated as the 70 RC SUA, all as shown more particularly on the attached plat and to grant an exception to the spacing provisions of Statewide Order No. 29-E and;
2. The 70 Zone, Reservoir C in the Four Isle Dome Field, Terrebonne Parish, Louisiana is hereby defined as being that gas and condensate bearing zone between the measured depths of 13,203 feet and 13,724 feet (electrical log measurements) in The Louisiana Land & Exploration Company-LL&E State Unit 21 No. 2 Well, located in Section 36, Township 21 South, Range 16 East.

For the above Zones

1. To establish rules and regulations governing the exploration for and production of gas and condensate from the said units;
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the units so created, with each tract sharing in unit production on a surface acreage basis of participation;
3. To designate a unit operator and unit wells for the units created herein;
4. To find that, except to the extent contrary to the order granted by the Commissioner of Conservation in connection with the hearing held on this application, the provisions of Office of Conservation No. 495-KK-1 shall remain in full force and effect;
5. To consider such other matters relating to the subject reservoir as may be appropriate and justified by the evidence presented at the public hearing.

In accordance with the Rules of Procedure for Conducting Hearings Before the Commissioner of Conservation of the State of Louisiana, the Commissioner of Conservation, the District Manager of the Lafayette District of the Office of Conservation and all interested owners, represented parties and interested parties known to the applicant after a reasonable search were notified in writing in the pre-application notice dated September 29, 2004 that a conference to discuss the proposed application was tentatively scheduled for 10:00 a.m. on Wednesday, October 20, 2004. It was stated at that time that this conference would be held only if a request to confer were received by the undersigned within ten (10) calendar days after the date of the pre-application notice. No requests to confer were received either in writing or by telephone and, in accordance with the Rules of Procedure, the tentatively scheduled conference **WILL NOT BE HELD**.

Attached hereto and made a part hereof is a plat outlining the 70 RB SUA and 70 RC SUA, Four Isle Dome Field, Terrebonne Parish, Louisiana, and a list of the names and addresses of the interested owners and represented parties who are being furnished with copies of this hearing application. This list includes the names and addresses of all interested parties who are known to the applicant after a reasonable search. It is hereby certified that a reasonable effort was made to ascertain the names and addresses of all interested owners, represented parties and interested parties.

Any pertinent data relating to the proposed unit can be obtained, AT THE COST OF THE REQUESTING PARTY, from Mr. David Comeaux of Leon Comeaux & Associates, P. O. Box 53922, Lafayette, La 70505 (337) 233-9839.

Finally, there is enclosed herewith our check on behalf of the applicant in the amount of \$755.00, made payable to the Office of Conservation, representing the required hearing application fee.

Very truly yours,

B. J. Duplantis
